

## "OUR PROMISE"

We use the freshest, highest quality ingredients in our unique recipes! There's no microwave in the kitchen, no iceberg lettuce in the fridge, no cheap cuts of meat (like chicken thigh) and the herbs and spices are fresh or dried by hand. You'll taste the difference here at Olas Mexicali Grill!

## HISTORIA

A few years ago we started with an idea of a fun, fresh and slightly different style restaurant. Fond memories of fish tacos in Cancun set the flavor of our menu. Meanwhile, with many painstaking sorties from Cabo to the Bay Area, we searched for the best of the best, our "Dream Restaurant". Not finding any, we built our own as we saw it. We hired an executive chef who developed our ideas into delicious reality. With a commitment to excellence, we use only the freshest ingredients, without lard or deep fryers. No kidding! Here it is enjoy!
